1. University Brief

Quantum University is a state university established by the Uttarakhand State Legislature through the **Quantum University Act, 2016 (Uttarakhand Act No. 04 of 2017)**. Quantum University is transformation of Quantum Global Campus, which has ten years old legacy. The lush green campus of Quantum University is situated at Roorkee-Dehradun Highway (22 Km away from IIT Roorkee). The location is well connected from Dehradun, Saharanpur, Haridwar and Roorkee. The nearest Railway stations are Saharanpur and Roorkee (roughly equal distance) and nearest Airport is Jolly Grant, Dehradun (60KM).

Quantum University has a well-structured campus with residence facilities for students (more than 1000 Boys and 300 Girls) and for faculty. Quantum University has well developed sports and cultural facilities on campus and well equipped with all the modern amenities.

Quantum University, India, was established, keeping the growing importance of Interdisciplinary education in mind. Quantum firmly believes that the overall development of students takes place in a multi-disciplinary environment where he is given the opportunity to hone his skills and at the same time able to follow his or her Passion. Quantum University aims to become the top private university in India.

Quantum University currently offers higher education under five faculties namely:

- 1. Faculty of Technology,**
- 2. Faculty of Business & Management,**
- 3. Faculty of Graduate Studies,**
- 4. Faculty of Agriculture,**
- 5. Faculty of Health Sciences,**

The Doctorate, Post Graduate and Under Graduate programs run under these faculties.

2. Management Board of Trustee

Table : Members Details of Management Board of Trustees

Trust Name: LMD EDUCATIONAL & RESEARCH FOUNDATION			
S. No.	Name of Trustees	Occupation	Designation in Society/ Trust
1)	Shri Shyam Sunder Goyal	Industrialist	Founder President
2)	Shri Shyam Lal Garg	Industrialist	Founder President
3)	Shri Praveen Garg	Industrialist	President
4)	Shri Ajay Goyal	Industrialist	Chairman
5)	Shri Naresh Garg	Industrialist	Vice Chairman
6)	Shri Shobhit Goyal	Industrialist	Secretary/ Treasurer
7)	Smt. Udita Goyal	Industrialist	Trustee
8)	Shri Sunil Goyal	Industrialist	Trustee
9)	Shri Kewal Garg	Industrialist	Trustee
10)	Shri Shashi Garg	Industrialist	Trustee

3. Vision

“To be a seat of learning where a student gains academic and professional excellence, stays connected with the inner self, imbibes respect for human values, and becomes a world citizen.”

4. Focus Areas

University focuses on interdisciplinary pedagogy, new age curricula, outcome based learning in field of **Engineering, Computers, Management, Health Sciences, Agriculture, Journalism, Humanities, Commerce, Hospitality and Tourism.**

To make her graduates industry ready and good human being, the University focuses dynamic contents based teaching learning processes and emphasizes on Internationally certified trainings, value added programs for personality development, certifications in minor programs as dual specialization and industry collaborated ‘Honors Programs’. The university also focuses on interpersonal and extracurricular skills through uniquely featured ‘**Passion Program (PROPs)**’

5. Salient Features

5.1 Interdisciplinary Pedagogy

Today's needs are inherently interdisciplinary and require intense multitasking as the graduates will not be entering a career that lasts a lifetime but a lifetime of multiple careers. Quantum understands that life demands different skills for different roles. Quantum is a University that understands your needs, promotes inter-disciplinary study and prepares you for life.

We are at the threshold of the IVth Industrial Revolution (4IR) which is characterized by emerging technological breakthroughs in fields such as Artificial Intelligence, Internet of Things, Business Intelligence and Automation amongst others. This would require intense multitasking in the emerging technology driven information society. Quantum University realized these trends early. As a responsible knowledge partner, it promotes inter-disciplinary education and prepares the students for the change. Besides major professional streams of education under various faculties, the university also offers other technologies and skills, which help a student to develop unique abilities to handle new job challenges.

The university addresses many questions, which are now asked by young aspirants, such as *“Can I study Technology with Music, Agriculture with Cyber Security or Computer Science with Economics?”* **“Will my university allow me such inter-disciplinary immersion that will equip me to handle a range of skills and roles in my professional and personal life?”**. Quantum University says why not. The university answers and hosts these valuable questions to its students.

5.2 New Age Curricula

The new age curriculum at Quantum University allows students to earn a Major degree in their chosen subject of professional interest. The Major prepares the students to step into the corporate world or to pursue post-graduate studies.

Alongside, one can earn a Certified Minor in an unrelated field by choosing a subject from open electives on attaining certain number of credits. An interesting minor makes students stand out at the time of placement.

The convergence of technologies and consequent changes in the way we work and associate has created a demand for a whole new range of skill sets. It is obligatory upon the educational sector to cater to these changes with urgency. The ‘new age curricula’ are the need of the hour. In contrast to the archaic curricula and rote learning, the new age curriculum at Quantum University aligns our education system with industry dynamics and interdisciplinary learning. Quantum University, through its contemporary curriculums, emphasizes academic, professional and personal development to navigate the upheavals of the socio-economic worlds.

A panel of very eminent experts from different domains of the academia and the industry ensure an updated, functional and outcome based curriculum at Quantum University. The two cardinal features of the Quantum curricula across the disciplines are:

5.3 Outcome Based Learning

Raising employability quotient through core competence and skill development is accorded top priority. The curriculums are constantly vetted against the industry requirements while industry collaborations are actively encouraged.

Great emphasis is also laid on domain related certificate trainings, which are of great relevance to the industry and lead to elevated placements. Alongside, training in soft skills and personality development is also an integral part of the Quantum curricula.

The second learning outcome of Quantum curriculum is laying sound foundation for higher education. For example, the B.Com (HONORS) program at Quantum, while imparting domain knowledge for ready employment, also enhances students' preparedness to pursue higher studies for Chartered Accountancy or similar professions as a career.

5.4 Passion Programs

At Quantum University, Students are encouraged to follow their career without giving up their passion. It offers unique 'Passion Programs' (PROPS) through a host of clubs and societies to pursue their passion in sports, theater, dance, music, photography, design, art, community service and much more. Passion is the axiom of Quantum philosophy. Students are asked to take up Passion Programs as per their choice. The students have the chance to grow under a guided and structured format and achieve excellence in the chosen passion program. At the end of the program, students would be expected to showcase their work in front of a live audience.

5.5 Emphasis on Certified Trainings

Quantum University imparts rigorous technical and soft skills trainings under an array of industrial tie-ups and MOUs. These trainings are carried out by industry experts and are duly certified. Students build strong core competence in their respective domains and are industry - ready at the time of passing out, leading to record placements year after year.

A dedicated department, called the Department of External Programs (DEEPRO), comprising of faculty and students, constantly works towards industry liaison and arranging job fests at Quantum. Quantum has tried to break new ground with a new model of learning. It is a fact that success in the modern world is dependent on skill. The skill gap can only be bridged by application of theory, hands on work and the right training. Quantum has since moved beyond the traditional theory based learning modes. The vital importance of skill development to education has inspired Quantum University to execute a multi-dimensional training program.

To this end, we have instituted Technical Certification Programs to provide robust integrated training besides regular curricula. These programs reflect the most valued skills in the corporate technical establishment. A dedicated team of experts is in place to constantly review and update the content and style of the programs so that they match the pace of technological change. Such certification programs are available across disciplines inbuilt in the regular curricula. Quantum makes sure that when the student passes out from Quantum, not only does he have a degree but a range of industry recognized Certificates on skills that are required by the industry which makes the student industry ready and employable.

5.6 Value Added Programs (VAP)

Another facet of our skill development drive is the focus on enhancing Soft Skills with an emphasis on communication skills. The University has tied up Cambridge Learning Inc. These are integral for preparing students to face an interview board. Regular mock tests are organized to polish student skills in Aptitude and Logical Reasoning. Quantum has made its prime focus to sculpt industry ready workforce. We have created a new blueprint for skill development, which goes beyond the traditional summer training, internship or project work. Students, in all programs, are required to take up certain minimum credits of VALUE ADDED PROGRAMS during the entire duration of the program. These courses will be Credit Courses, but no passing grade is required in these courses. The grades earned will be included in the calculation of CGPA.

5.7 Certification as Minors

Quantum University focuses on inter- disciplinary approach in program selection. Quantum University offers the minor program for under graduate level. A graduate level student may obtain a certification as minor in the field of study other than his major program, for an example, a computer science student can opt for minor in economics or entrepreneurship.

5.8 Honors Programs

The University offers Honors programs in selected areas, which will be partly delivered by the Industry. These programs shall be in collaboration with the Industry, and shall carry some extra credits as per the requirement of the specific Industry.

6. University governance - BOG, BOM, AC, Finance Committee

6.1 Composition of Board of Governors

Date of Constitution: March 05, 2018

Table 2: Composition of Board of Governors

S. No.	Name	Profession	Full Postal Address
1)	Mr. Ajay Goyal Chairman	Chancellor Quantum University	14/1, New Road, Dehradun
2)	Mr. Praveen Garg Vice Chairman	Pro Chancellor Quantum University	104/105, Model Colony, Yamunanagar
3)	Prof. (Dr.) Vivek Kumar Member Secretary	Vice Chancellor Quantum University	Quantum University NH 73, 22 KM Mile Stone, Village Mandawar, Roorkee
One Academicians Nominated by the Visitor			
4)	Mr. B. P. Pandey Ex - I.A.S. & Educationist	Governor Nominee	B-4/42, Vipul Khand, Gomtinagar, Lucknow
Principal Secretary/ Secretary to the State Government of the Higher Education Department			

5)	Ex - Officio	Principal Secretary/ Secretary to the State Govt. of Higher Education Department	Secretariat Compound Subhash Road, Dehradun 248001
Five Members nominated by the Promoting Trust			
6)	Mr. Anil Goyal Member	Industrialist	14/1, New Road, Dehradun
7)	Mr. Naresh Garg Member	Industrialist & Member LMD Educational & Research Foundation Trust	104/105, Model Colony, Yamunanagar
8)	Mr. N. K. Minda Member	Industrialist	I.M.T. Manesar Gurugram
9)	Mr. Subodh Gupta Member	Professional	Director Finance B.H.E.L. New Delhi
10)	Mr. Pankaj Gupta Member	Industrialist	Mohabbewala Industrial Area Dehradun
Two Members nominated by the Chairman, Promoting Trust from Reputed Higher Education Institutions			
11)	Prof. (Dr.) A. K. Karnataka Member	Academician	G.B.Pant University of Agri. & Technology, Pantnagar and now VC of VCSG Uttarakhand University of Horticulture and forestry, Garhwal
12)	Prof. (Dr.) Vinay K. Nangia Member	Academician	Retired Professor Department of Management Studies, I.I.T. Roorkee Adjunct Faculty, NSUT, New Delhi

Annual Report (2020-21)

Part D- Extra Curriculum Activities

Table: Extra Curriculum Activities (2020-21)

Year	Date of event/ competition (DD-MM-YYYY)	Type of the event / competition (Sport / cultural / Technical / academic fest / any other (please specify) event through active club / forum	Name of the event/competition
2020-21	15-08-2020	Cultural	Independence Day Celebration at Quantum University
2020-21	10/ 30/2020	Cultural	Online Inter university Mono Act Competition
2020-21	31-10-2020	Cultural	Online Inter university Western Singing Competition
2020-21	01-26-2021	Cultural	Republic Day Celebration at Quantum University
2020-21	02-20-2021	Cultural	Showcase event- One act play- Parinaam
2020-21	03-10-2020	Cultural	Inter University MIME Competition during National Safety Week
2020-21	03-23-2021	Cultural	Showcase event Skit during Martyrdom Day
2020-21	03-27-2021	Cultural	Inter University One Act Play Competition during World's Theater Day
2020-21	04-23-2021	Cultural	Inter University Group Folk Dance Competition
2020-21	04-23-2021	Cultural	Inter University Competition Solo Singing- "ALAAP"
2020-21	04-23-2021	Cultural	Inter University Solo Dance competition
2020-21	04-27-2020	Cultural	Inter University Solo & Duet Dance competition
2020-21	22/ 09/2020	Technical	Webinar on Case Study Analysis
2020-21	26/09/2020	Technical	Workshop on Data Analytics Using Python
2020-21	07-11-2020	Technical	World Radiography Day by QSHS
2020-21	19/02/2021	Technical	National workshop on 'Modern Embedded Systems and Computing : Challenges and Opportunities'
2020-21	02-03-2021	Technical	Workshop on Fusion 360
2020-21	13/03/2021	Technical	Workshop on Web Technology
2020-21	16/03/2021	Technical	Cafeteria (Southern Flavors) by Nutrient and Dieters department
2020-21	24/03/2021	Technical	World Tuberculosis Day celebration by QSHS
2020-21	10-04-2021	Technical	Workshop on cloud computing skill Development
2020-21	27/03/2021	Technical	International Conference on Fourth Industrial Revolution based Technology and Practices (ICFIRTP) 2020 by QST
2020-21	16/04/2021	Technical	Workshop on Xebia
2020-21	19/06/2021	Technical	Workshop on Vedic Mathematics

2020-21	09-16-2020	Creative Art Club	Poster Making Inter University Competition on International day for preservation of ozone layer
2020-21	17-10-2020	Gardening Club	Inter University Healthy Salad Making Competition
2020-21	17-10-2020	Social Club PAHAL	Outreach Program on World Food Day
2020-21	11-11-2020	CODEX Club	React Native Technology Workshop
2020-21	03-03-2021	Agni Club	Workshop on Robotics & Automation
2020-21	05-03-2021	CIVILINKS	Presentation competition (National Safety week)
2020-21	22/03/2021	Social Club PAHAL	A rally in Mandawar and Badkala village to evaluate Water on world's water day
2020-21	04-22-2021	Literary Club	Inter University Speech Competition

Annual Report (2020-21)

Part E- Academic Results

Table : Result Analysis (Final Year Passing Out Students in 2020-21)

Passed Percentage

S.No.	Program Name	Branch	Appeared in 2020-21	Passed in 2020-21	Passed %
1	Master of Technology	Thermal Engg.	3	3	100.00%
2	Master of Technology	SE	1	0	00.00%
3	B.Voc (AMT)		176	176	100.00%
4	Bachelor of Computer Applications		38	35	92.11%
5	Master of Computer Applications		24	22	91.67%
6	Bachelor of Business Administration		70	66	94.29%
7	Master of Business Administration		30	28	93.33%
8	B.Voc (Logistics)		13	13	100.00%
9	Bachelor of Commerce		60	57	95.00%
10	Bachelor of Arts (Hons) in Economics		3	3	100.00%
11	Bachelor of Science (Hons) PCM		19	18	94.73%
12	Bachelor of Arts (Hons) in Journalism and Mass Communication		22	19	95.00%
13	Diploma in Pharmacy		50	48	96.00%
14	Bachelor of Science in Nutrition and Dietetics		17	17	100.00%
15	Master of Science in Nutrition and Dietetics		8	8	100.00%
Total			534	513	96.06%

Note : *BMRIT Program is Three and Half Years Duration (Three Year classroom Teaching and One Semester Long Medical Posting). Although, Students have cleared their credit requirement in 2020-21 but they will be considered as pass when they complete the medical posting satisfactorily. Therefore, the 2018-19 Entry batch will be considered as 'Pass' in session 2021-22.*

Result Analysis (Final Year Passing Out Students in 2020-21)

	Program	Second (CGPA Below 6)	First (Between CGPA 6 and 7.5)	First with Distinction(Above CGPA 7.5)
1	Master of Technology	0.00%	66.67%	33.33%
2	Bachelor of Computer Applications	0.00%	37.14%	62.86%
3	Master of Computer Applications	0.00%	18.18%	81.82%
4	Bachelor of Business Administration	3.03%	74.24%	22.73%
5	Master of Business Administration	9.68%	25.81%	64.52%
6	Bachelor of Commerce	1.75%	36.84%	61.40%
7	Bachelor of Arts (Hons) in Economics	0.00%	0.00%	100.00%
8	Bachelor of Science (Hons) in Physics/Chemistry/Mathematics	0.00%	50.00%	50.00%
9	Bachelor of Arts (Hons) in Journalism and Mass Communication	15.79%	57.89%	26.32%
10	Bachelor of Science in Nutrition and Dietetics	0.00%	66.67%	33.33%
11	Bachelor of Science in Medical Radiology and Imaging Technology	5.56%	38.89%	55.56%
12	Master of Science in Nutrition and Dietetics	0.00%	37.50%	62.50%
