Item No. 6

To discuss and approve the program and course content having elements of field projects /Research project/ Internships.

The Chairman emphasized the university's advantageous position within various legal sectors and emphasized the potential for stronger collaboration between the industry and academia in the teaching and learning processes. The Board of Studies (BOS) put a strong emphasis on introducing a dedicated course called 'Summer Internship,' which would focus on students gaining awareness of the evolving landscape of the legal field. This course is proposed to be integrated into the even semesters of the program and would incorporate elements such as field projects, research assignments, or internships. The details of the course are as follows:

Sr.No	Name of the Course	Semester	Programme	Outcome of the course
1.	Summer Internship-II	IV (Even)	B.A.LL.B(HONS)	Would like to join a Legal firm as an intern and gain necessary practical exposure and sharpen my skills to pursue a career as a legal practitioner.

The Chairman and the members of BOS appreciated and approved course content having field projects /Research project/ Internships. The Chairman requested the members to work extensively for the inclusion of field projects /Research project/ Internships in Integrated Programs.

Item No. 7

To discuss and approve the list courses based on Professional Ethics, Gender, Human Values, Environment and Sustainability.

The chairman and the members of the BOS believed in the importance of fostering professional ethics, promoting gender equity, instilling human values, and championing environmental sustainability within the aspiring students of the program.

Some of the courses related to Professional Ethics, Gender, Human Values, Environment and Sustainability introduced in the previous semesters and remaining will be introduced in the upcoming academic sessions with in the university.

Item No. 8

Discussion on the feedback received from students and faculty members.

The Board of Studies (BOS) members participated in deliberations concerning the feedback provided by both students and faculty members regarding the course curriculum and facilities. The BOS chairman presented an analysis of the CO (Course Outcome) attainment for the odd semester of the 2020-21 session. Based on these discussions, recommendations for changes to the syllabus were proposed, and these suggested modifications are slated to be implemented for the 2020-21 session.
