	Reference Parameters Requiring Action		Ref No	Recommendations of SSG of the Department
Course Feedback	SFOS01 (2.48)	Quality of content, relevance & rigour	R-1	<p>The SSG recommended adding topics of Mathematics' in business statistics for developing better systems for problem- solving, and learning as how applied mathematics solves real-world issues.</p> <p>The SSG suggested 'Business Mathematics' & Statistics' as new nomenclature.</p> <p>To provide an understanding of the expectations of industry, improving employability skills of students, bridging the skill gaps and make students industry ready values added courses should be incorporated in the curriculum.</p> <p>The SSG members asserted that these courses if incorporated will provide an opportunity to students in development of their inter-disciplinary skills</p>
	SFOS02 (2.41)	Qualitative classroom activities	R-2	<p>The SSG suggested following committees to be formed at central and departments level based on their objective like;</p> <p>Student/faculty grievance redressal and cancellation machinery</p> <p>Research Development Committee</p> <p>Quantum Press Club</p> <p>Organizing Entrepreneurship Camps</p> <p>Book bank comprising books which an average students can easily read and infer.</p>
	SFOS05 (2.45)	Innovative Teaching Practice	R-3	<p>It was suggested to have business economics after clubbing syllabi of Micro economics (Sem I) & Macro economics (semester IInd)</p> <p>Forming active learning groups or discussion groups.</p> <p>IT based VAC/minor programmes should be emphasized. The IT based VACs will be able to mould students as job providers rather than job seekers.</p>
	SFOS06	Teaching Through ERP,LMS	R-4	<p>It was suggested by SSG that the Handbook stating subjects, their pre-requisites, outcome etc have to be given to the students during orientation. This help the students understand, analyze and evaluate the relative worth of the courses they are going to study in different semesters.</p> <p>To promote subjective and experiential learning via online portals MOOCs available at Indian and global levels should be promoted. At least one MOOC in one semester for each subject was emphasized.</p>
	SFOS08 (2.38)	Job Oriented curriculum	R-5	<p>The SSG advised to get MOU's/Placement collaborations done with the industries for improvement of experiential/hands-on learning in projects.</p>
Additional Recommendation towards Mission and Vision of the Department				
Additional Feedback	 Registrar Quantum University	Outcome based Learning	AR-1	<p>To promote outcome-based learning viz-a-viz to enhance employability skills of the students the need to introduce few more job-based value-added certifications. Hon'ble Vice-Chancellor recommended introducing</p>

				VACs on Excel, ERP and Retail Management etc. in the departments and also advised mentors to encourage their students in selections of skill-based hands-on certifications which can further be proved beneficial for the students in their placements.
		Mentor Mentee counseling	AR-2	The effective incorporation and implementation of MOOCs have to be ensured via Mentor-Mentee Counseling Sessions. The mentors should motivate students to opt for the online MOOCs and counsel them to complete the time-bound assignments followed by the online test effectively and efficiently
