(On the basis of the suggestions made by the IQAC and Sub Specialty Groups of the Departments on the Feedback of all stakeholder)

Action Taken Report		
Department Name: Department of Agricultural Studies		
Feedback Session: 2019-2020		
Curriculum Design		
Code	Recommendation by Sub Specialty Groups of the Department	Action taken in curriculum design of 2020-2021
AG3101	R-2 This is a bridge course studied by PCB group students, generally found weak in this subject. This is recommended to schedule some extra lectures for the students	Implemented in 1 st Sem of next academic year 2020-21
AG3306	R-1 Syllabus is very lengthy and should require at least 3 lectures per week and content should be delivered by experiential learning	Mini project is implemented to impart knowledge and understand all related methods in agriculture in the next academic year 2020-21
CY3355	R-8 Require at least one industrial visit during the course	Introduced in next academic year 2020-21 and report should be submitted in place of Assignment-2
AG3340	R-5 Require extensive field work to Select, and apply appropriate techniques, resources, and modern agriculture technologies and tools for agricultural activities with an understanding of the limitations.	Field work is assigned in the form of projects.
AG3345	R-7 Require at least one industrial visit during the course	Implemented in even sem of next academic year 2020-21
AG3406	R-7 Content should be delivered in the form of the experiential learning programme to develop entrepreneur skill among the students	Mini project is introduced in the form of Assignment-2
AG3408	R-5 Towards enhancing employability and entrepreneurial ability of the graduates the practical content in the courses should be increases	Mini project is introduced in the form of Assignment-2

 Registrar
 Quantum University

AG413	R-7 Require atleast one visit to the Animal Husbandry to get more exposure on problems of Animal Husbandry and develop entrepreneur skills in the students	The Assignment-2 of the students replaced with Visit to animal husbandry and its report.
