Additional Recommendation towards Mission and Vision of the Department

Additional Feedback	Modification in Syllabus	AR-1	Syllabus needs to be revised in a more elaborate sense as it is lacking in the course content to teach in the programme. Also need to add Indian legal History as a separate unit in LW-5101, 5302, 5402, 5502, 5603.
	Merging of subjects	AR-2	Content of course should be divided into two separate courses as if we consolidate in a single course it will miss some important topics in LW-5503, 5602
	IT Enabled System	AR-3	Every fundamental course must use QLRC extensively and incorporate case studies. It must thus be used in practice. The students will learn how to apply blended models that combine theory and practice. Therefore, putting this into practice is a crucial and relevant part. Here it is important to use ICT resources in the teaching and learning process. Some specific lectures should be given in order to teach students computer literacy.
	Communication Skills	AR-4	The learning that occurs in peer groups is crucial to the students' learning. So, we should give the students access to such peer group learning facilities. Assignment based A2 tasks should be given to both fast and slow learners. Use of student presentations on the pertinent issues is advised. Add communication skills to the course's curriculum. Students can effectively hone their presenting and communication skills by giving presentations.
	Job Oriented	AR-5	VACs need to be expanded; students need to be motivated to join them.
