Introduction

The Examination Department at Quantum University operates in accordance with the University Academic Regulations. Its responsibilities include organizing examinations year-round, assessing student performance, and announcing results. This department is overseen by the Controller of Examination, who reports to the Vice Chancellor. At the beginning of each semester of academic session, an Examination Calendar is published to outline the examination schedule for the entire semester, covering End Semester, Sessional and Special Exams. The University adopts a Semester System for all its programs and adheres to CBCS and UGC guidelines for examination procedures. Additionally, for programs governed by statutory bodies like PCI, examinations are conducted in compliance with their respective regulations, which take precedence over other rules. Due to prevalence of COVID and examinations were held in online mode as per the UGC guidelines and approved university directives.
