AUDITORIUM

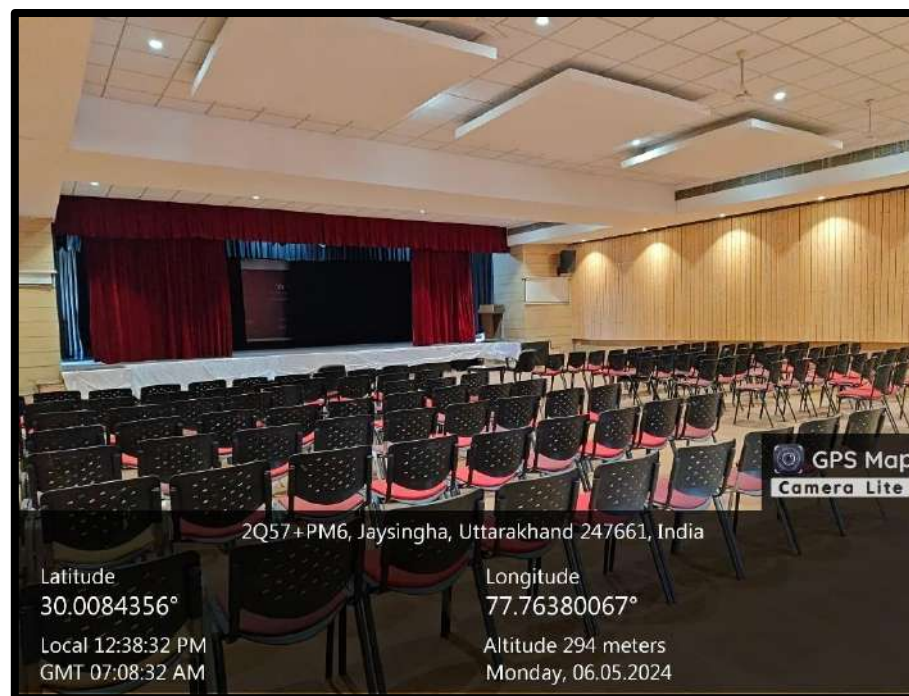

Quantum University is proud to feature two state-of-the-art auditoriums, catering to a variety of events and gatherings on campus. The flagship venue, Shyam Ji Auditorium, offers seating for up to 550 guests and is equipped with central air-conditioning, multimedia projectors, and advanced sound systems. Its spacious lobbies and verandahs make it an ideal choice for hosting prestigious international conferences, exhibitions, academic seminars, and vibrant campus celebrations. Complementing this is two Mini Auditoriums, providing a cozy yet modern space with seating for 165 attendees and full air conditioning. Despite its smaller size, the Mini Auditorium is well-appointed with multimedia capabilities, making it perfect for smaller-scale events such as workshops, seminars, and intimate gatherings. Together, these two auditoriums serve as dynamic hubs of activity, enriching the Quantum community with diverse opportunities for engagement and collaboration.
