**About ICT :** Quantum University has embraced a diverse set of ICT (Information and Communication Technology) tools to enhance the teaching and learning experience. The integration of modern technologies in classrooms and seminar halls is crucial for fostering a more interactive and engaging educational environment. Let's take a closer look at the listed ICT facilities:

S.No	Facility	Quantity
1	LCD Projector	40
2	Computer	745
3	Laptop	14
4	Internet/LAN Facility	65 (Switch Box)
5	Wi-Fi Facility	125 (Router)
6	Audio Facility	Each Seminar Halls & Auditoriums

These facilities collectively contribute to creating an environment where both educators and students can leverage technology to its fullest potential. The integration of ICT tools aligns with modern educational practices, promoting a more interactive and dynamic learning experience. It also prepares students for the technology-driven challenges they may encounter in their future careers
