**CIRCULAR**

**Attention to all students,**

Over the past six months, the world has faced unprecedented challenges due to COVID-19 pandemic. It has disturbed out lives in numerous ways and has had a profound impact on the academic aspirations of many students. In response to these difficulties, the competent authority of the University has decided to introduce the **Covid Scholarship** schemes at Quantum University.

The Covid Scholarship will offer a uniform fee waiver of Rs. 7500/- being applicable to all the first year students at the University for the academic year 2021-22. Other than this scholarship in hostel will also be provided as per terms and other conditions. Other scholarships shall remain as it is. This amount is over & above other scholarships. This initiative has been taken up at Quantum University in order to foster resilience and inspire the student to excel despite the challenges being faced globally due to the pandemic.
