## INCULCATING SOFT SKILLS AND PROBLEM-SOLVING ACUMEN THROUGH SUDOKU PROBLEM-SOLVING CHALLENGE

**Name of Event:** INCULCATING SOFT SKILLS AND PROBLEM-SOLVING ACUMEN THROUGH SUDOKU PROBLEM-SOLVING CHALLENGE

**Date of Event:** 25<sup>th</sup> August 2018

**Hosted By:** Department of Mechanical Engineering

**Number of Participants:** 40 Students

Mechanical Engineering, orchestrated an enthralling competitive event that left minds buzzing with excitement. On the memorable date of August 25, 2018, the department hosted a riveting Sudoku competition that welcomed participants from all corners of Quantum University. Sudoku, renowned for its captivating blend of logic and combinatorial number-placement, took center stage during this event.

### **Major Outcomes of the Event**

1. The event brought together participants from various corners of the university, showcasing the popularity and appeal of Sudoku's logic and number-placement challenges.
2. The competition involved a 9×9 grid puzzle where participants had to fill in numbers according to specific rules: each column, row, and 3×3 subgrid must contain all digits from 1 to 9.
3. With partially completed grids as a starting point, participants were tasked with solving the puzzle to reveal a unique solution, testing their mental agility.
4. Participants faced two engaging Sudoku puzzles in a charged atmosphere, showcasing their determination and strategic thinking.
5. Mr. Anmol, a third-year student from the C.S.E. department, emerged as the winner of the competition, demonstrating mastery of Sudoku's intricate complexities.

## **SOFT SKILLS DEVELOPMENT BY GUEST LECTURE ON THE ART OF MODERN CALLIGRAPHY**

**Name of Event:** SOFT SKILLS DEVELOPMENT BY GUEST LECTURE ON THE ART OF MODERN CALLIGRAPHY

**Date of Event:** 1<sup>st</sup> September 2018

**Hosted By:** Literary Society of Quantum University

**Name of Guest Lecturer:** Mr. Guru Prabhat

**Number of Participants:** 22 Students

Imagine a world where every stroke of a pen turns into a work of art, where letters dance gracefully on paper, leaving behind a mesmerizing trail of beauty. On September 1, 2018, the Literary Society of Quantum University opened the doors to a captivating Calligraphy Workshop, unveiling the magic of this visual art form related to writing. Hosted by none other than the talented Mr. Guru Prabhat, from the prestigious Department, this workshop was a rendezvous with creativity and the art of beautiful writing. With a broad tip instrument, brush, or various writing tools, the students delved into the realm of calligraphy, exploring its diverse styles and techniques.

### **Major Outcomes of the Event**

1. The workshop was led by Mr. Guru Prabhat, known for his talent and expertise.
2. Students had the opportunity to delve into the world of calligraphy, using tools like broad-tip instruments, brushes, and various writing implements.
3. Attendees were introduced to different pens and pencils, each serving as a tool for creating captivating calligraphic pieces.
4. Captivating videos showcased the artistry of calligraphy, providing insights into its diverse styles and techniques.
5. The highlight of the workshop was Mr. Guru Prabhat's live demonstration, where he transformed plain letters into stunning works of art.
6. Through his demonstration, students witnessed the transformation of letters into forms of artistic grace, leaving them amazed and inspired.
7. The workshop instilled a sense of wonder and appreciation for the profound significance of each letter in conveying emotions and thoughts.

8. Participants left the workshop with a newfound skill of calligraphy writing which they can put in use in font design and typography, original hand-lettered logo design, religious art, announcements, graphic design, and commissioned calligraphic art, cut stone inscriptions, and memorial documents.

## GUEST LECTURE ON SOFT SKILLS & COMPETENCIES DEVELOPMENT FOR PRIVATE AND PUBLIC SECTOR BANKS.

**Name of Event:** GUEST LECTURE ON SOFT SKILLS & COMPETENCIES DEVELOPMENT FOR PRIVATE AND PUBLIC SECTOR BANKS.

**Date of Event:** 12<sup>th</sup> September 2018

**Hosted By:** Faculty of Business and Management

**Name of Guest Lecturer:** Mr. S.P Singh (AGM, Punjab National Bank)

**Number of Participants:** 66 Students

On September 12, 2018, we had the privilege of hosting Mr. S.P. Singh, a distinguished individual who served as the Assistant General Manager at Punjab National Bank. During his insightful lecture, Mr. Singh delved into the realm of soft skills and competency strategies employed by both government and private sector bank employees. His session, which spanned one hour and thirty minutes, captured the undivided attention of the students.

### **Major Outcomes of the Event**

1. The lecture focused on both government and private sector banks, providing a comprehensive understanding of their competition strategies.
2. Mr. Singh's extensive experience and knowledge were evident throughout the session, capturing the undivided attention of the students.
3. The lecture spanned a duration of one hour and thirty minutes, allowing for an in-depth exploration of the topic.
4. Mr. Singh engaged the audience with his discourse, shedding light on intricate details of competition within the banking industry.
5. He also shared concealed truths and unique perspectives that are often overlooked, offering valuable insights to the eager minds present.
6. The lecture left a lasting impression on the attendees, contributing to their understanding of competition strategies and the broader banking sector.
7. The event provided students with the opportunity to learn from a distinguished professional and gain practical insights into real-world competition dynamics in banking.

## MASTER CLASS FOR INCULCATING SOFT SKILLS ON FOOD CARVING CULINARY ART

**Name of Event:** MASTER CLASS FOR INCULCATING SOFT SKILLS ON FOOD CARVING CULINARY ART

**Date of Event:** 28<sup>th</sup> September 2018

**Hosted By:** Department of Hospitality and Tourism

**Name of Guest Lecturer:** Mr. Deepak Raturi (Compass Catering Services Qatar, UAE)

**Number of Participants:** 35 Students

The Department of Hospitality and Tourism orchestrated on 28<sup>th</sup> September 2018 an engaging workshop centered on the captivating art of carving, held at the Food Production Lab. This creatively orchestrated event was skillfully coordinated by Mr. Naveen Rana. Gracing the occasion was Mr. Deepak Raturi, a distinguished figure hailing from Compass Catering Services Qatar, UAE.

### **Major Outcomes of the Event**

1. The workshop featured Mr. Deepak Raturi from Compass Catering Services Qatar, UAE, adding expertise to the occasion.
2. Participants engaged in the delightful exploration of carving, learning innovative techniques to manipulate fruits and vegetables into exquisite shapes.
3. Carving holds significance within the Hospitality industry, enhancing the aesthetic appeal of culinary presentations, especially in elaborate banquet gatherings.
4. The workshop introduced students to various carving techniques, showcasing the potential of this creative artistry.
5. Students, particularly in Hotel Management, acquired a valuable skill set that can elevate their future endeavors in the industry.
6. Mr. Deepak Raturi's presence, representing a global catering powerhouse, added an aura of expertise to the event.
7. Participants experienced hands-on carving by creating intricate designs such as a Penguin from Eggplant, Ducks from Apples, and Flowers from various produce.
8. The workshop not only honed carving skills but also inspired participants to apply their newfound talents in the future.

## **FOSTERING SOFT SKILLS THROUGH WORKSHOP ON EVOLVING LOGICAL REASONING**

**Name of Event:** FOSTERING SOFT SKILLS THROUGH WORKSHOP ON EVOLVING LOGICAL REASONING

**Date of Event:** 22<sup>nd</sup> October 2018

**Hosted By:** Department of Mechanical Engineering

**Name of Guest Lecturer:** Mr. Ankur Kukreti

**Number of Participants:** 15 Students

On the date of 22<sup>nd</sup> October 2018, Mr. Naveen Rana, an Assistant Professor in the Mechanical Department, delivered a captivating lecture on logical reasoning. This lecture provided an all-encompassing exploration of the fundamental principles and techniques crucial for making effective decisions and solving problems. The speaker delved into an array of topics, including deductive and inductive reasoning, logical fallacies, and strategies for critical thinking. An emphasis was placed on the significance of dissecting arguments, detecting flaws in reasoning, and constructing well-founded conclusions.

### **Major Outcomes of the Event:**

1. The lecture provided a comprehensive exploration of fundamental principles and techniques for effective decision-making and problem-solving.
2. The speaker covered various topics, including deductive and inductive reasoning, logical fallacies, and strategies for critical thinking.
3. Emphasis was placed on dissecting arguments, identifying flaws in reasoning and constructing well-founded conclusions.
4. Practical examples and interactive exercises were incorporated to engage the audience and enhance comprehension of logical reasoning concepts.
5. Attendees gained valuable insights into assessing evidence, making sound judgments, and improving their overall cognitive abilities.
6. The lecturer's impact was lasting, stimulating contemplation and imparting a wealth of enlightenment.
7. Participants were equipped with invaluable skills applicable to various aspects of life, contributing to their personal and intellectual growth.

## A WORKSHOP ON CULINARY ART

**Name of Event:** A WORKSHOP ON CULINARY ART

**Date of Event:** 2<sup>nd</sup> November 2018

**Hosted By:** Department of Hospitality and Tourism

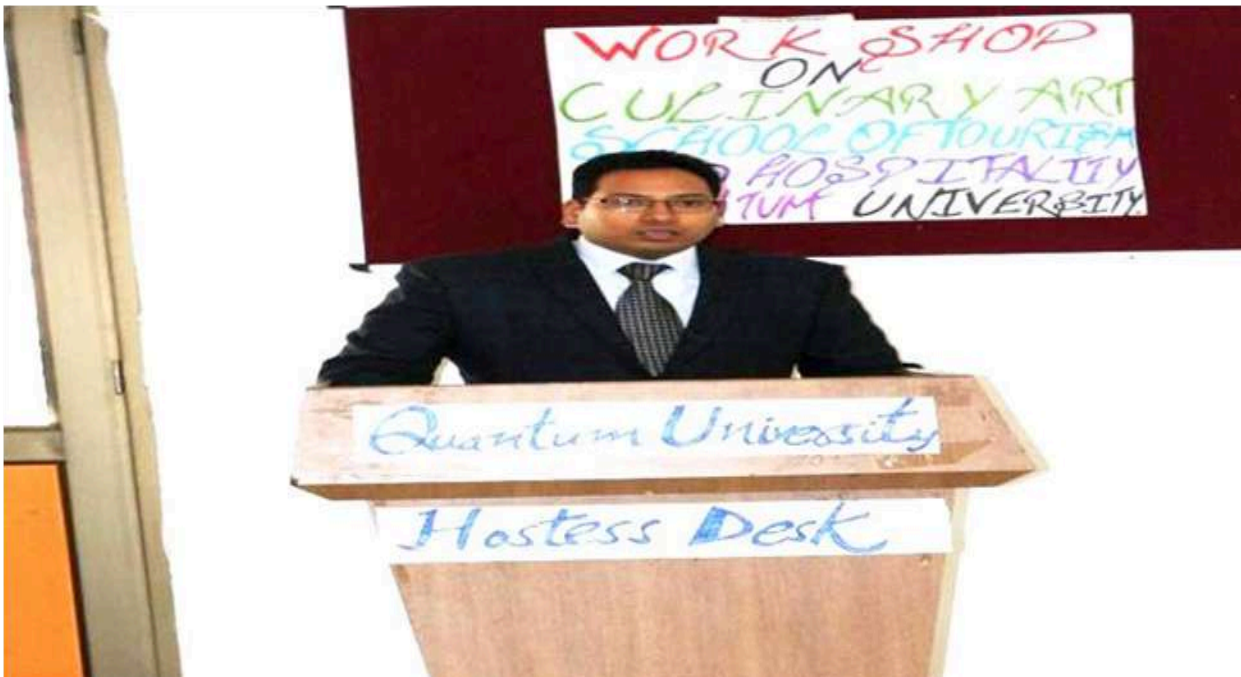

**Number of Participants:** 28 participants

On the illustrious date of 2<sup>nd</sup> November 2018, a captivating workshop unfurled its culinary canvas within the esteemed halls of the Department of Hospitality and Tourism. This remarkable event was meticulously crafted to delve into the heart and soul of an art form that marries both science and creativity: the culinary arts. The culinary art, a symphony of precision and passion, orchestrates the harmonious dance of food preparation, presentation, and the intricate symphonies of gastronomy. In the pages that follow, we embark on a succinct journey through this culinary realm, shedding light on its profound significance within the culinary tapestry.

### **Major Outcomes of the Events**

1. The workshop aimed to explore the essence of culinary arts, a blend of science and creativity.
2. Culinary arts encompass food preparation, presentation, and gastronomic intricacies, creating a harmonious symphony.
3. The mastery of Culinary Skills, including knife techniques and cooking methods, forms the foundation of culinary excellence.
4. Creativity and Innovation are at the heart of culinary arts, encouraging chefs to be culinary artists and challenge traditional boundaries.
5. Chefs experiment with flavors, textures, and presentation, fusing tradition with avant-garde thinking for unique culinary experiences.
6. Culinary arts serve as a canvas where innovation and tradition intertwine, producing intricate masterpieces that resonate with both creator and diner.
7. The workshop showcased that culinary arts extend beyond artistry, offering fulfilling careers and opportunities to leave a culinary legacy.
8. Curated by the Department of Hospitality and Tourism, the workshop celebrated the fusion of science and creativity in culinary arts.
9. The event encouraged individuals to embrace culinary arts for personal fulfillment and to make an impact in the dynamic world of gastronomy.
