**MOTIVATIONAL TALK ON YOUTH LEADERSHIP TO FOSTER SELF-CONFIDENCE (Under
Honeywell Youth Development Program)**

Name of Event: MOTIVATIONAL TALK ON YOUTH LEADERSHIP TO FOSTER SELF-CONFIDENCE
(Under Honeywell Youth Development Program)

Date of Event: 19th November 2022

Hosted By: Department of Computer Science and Engineering

Name of Guest Lecturer: Mr. Virendra Kumar (Senior Strategic Sourcing Manager, Honeywell)

Number of Participants: 87 participants

On November 19, 2022, Quantum University had the honor of hosting a captivating Youth Leadership motivational Talk on youth leadership to foster self confidence made possible through the Honeywell Volunteering Program. The event was graced by the presence of Mr. Virendra Kumar, a distinguished employee of Honeywell, who shared his wisdom on the art of effective leadership and its pivotal role in today's ever-evolving corporate landscape.

Mr. Kumar's talk was a powerful testament to his extensive experience and profound understanding of Youth leadership. Through captivating anecdotes and insightful insights, he illuminated the essence of successful Youth leadership, transcending the boundaries of mere theory to offer a practical roadmap for aspiring leaders.

Major Outcomes of the Events

1. The captivating talk, hosted on November 19, 2022, by Quantum University, featuring Mr. Virendra Kumar from Honeywell, provided attendees with inspirational insights into effective youth leadership.
2. Mr. Kumar's extensive experience and engaging anecdotes translated leadership theory into practical guidance, offering a roadmap for aspiring leaders to follow.
3. The talk highlighted crucial attributes for successful leadership, focusing on adaptability, empathy, and innovation, resonating deeply with the diverse audience of students, faculty, and professionals.
4. Beyond corporate spheres, attendees recognized the broader impact of effective leadership in various aspects of life, emphasizing its importance.
5. The talk underscored the significance of employee volunteering programs in nurturing leadership skills within communities, exemplified through Mr. Kumar's involvement in Honeywell's initiatives.
6. The event's success was evident through the resonance of collective energy and appreciation from the audience, who found Mr. Kumar's wisdom inspiring and enlightening.

E-POSTER DESIGN CHALLENGE TO CULTIVATE CREATIVITY AND PRESENTATION SOFT SKILLS

Name of Event: E-POSTER DESIGN CHALLENGE TO CULTIVATE CREATIVITY AND PRESENTATION SOFT SKILLS

Date of Event: 8th April 2023

Hosted By: Department of Agriculture

Invited Guest : Dr. Vivek Kumar (Vice-Chancellor), Dr. Satender Kumar (Dean Academic)

Number of Participants: 27 participants

With an unwavering commitment to environmental conservation, Quantum University Department of Agriculture orchestrated a resounding success in the form of an E-Poster Design Competition on environmental sustainability. Held on the momentous date of April 8, 2023, this event catalyzed inspiring students to become champions of a greener and more sustainable future.

The competition saw an overwhelming response from enthusiastic students, eager to showcase their artistic talents in advocating for environmental causes. Their e-posters became vibrant canvases, bearing striking visuals and powerful messages that resonated with the theme of environmental sustainability.

Major Outcomes of the Event

1. Enthusiastic students participated, creating vibrant e-posters that skillfully combined artistic talents with powerful messages advocating for environmental sustainability.
2. The e-posters focused on critical global concerns such as climate change, renewable energy, and waste management, using visuals and narratives to draw attention.
3. E-posters served as impactful messengers, prompting conversations and fostering commitment to eco-friendly practices within the university community and beyond.
4. Through creativity and advocacy, students not only showcased their artistic skills but also embraced their roles as agents of change, aligning with the institution's values.
5. The competition cultivated a deep sense of environmental responsibility among participants, fostering a commitment to safeguarding the planet's future.
6. Quantum University's commitment to nurturing eco-conscious leaders stands as a beacon of hope, illuminating a path toward a greener, more sustainable world.
7. The event's outcomes demonstrated Quantum University's dedication to its vision, setting the stage for a world where every individual contributes to preserving the planet.

WORKSHOP ON GST-COMPLIANCE & RETURN FILING TO INCULCATE ANALYTICAL SKILLS

Name of Event: WORKSHOP ON GST-COMPLIANCE & RETURN FILING TO INCULCATE ANALYTICAL SKILLS

Date of Event: 29th April 2023

Hosted By: Department of Commerce and Finance

Name of Guest Lecturer: CA Gagan Kinra

Number of Participants: 138 participants

An enlightening event on April 29, 2023, was commenced by the Department of Commerce and Finance at Quantum University presenting a dynamic workshop on "GST Compliance and Return Filing." This highly anticipated event is tailor-made to provide students with valuable insights into the intricacies of the Goods and Services Tax (GST) and its profound implications for businesses in India.

Taking center stage as the esteemed guest speaker is none other than CA Gagan Kinra, a distinguished expert in the field. With a wealth of knowledge and experience, CA Gagan Kinra will adeptly demystify the concept of GST, shedding light on its practical impact on various industries. Participants can expect an engaging discourse that bridges the gap between theory and real-world application, making the subject matter both captivating and relevant.

Major Outcomes of the Event

1. CA Gagan Kinra's expertise demystified GST, offering practical perspectives on its impact across industries, bridging theory and real-world application.
2. Participants engaged in interactive discussions and practical case studies, gaining valuable insights into the complexities of GST compliance and return filing.
3. The workshop equipped attendees with knowledge essential to navigating the financial landscape in India, enhancing their competitiveness in commerce and finance.
4. The event offered a golden opportunity for students interested in commerce or finance to gain insights that will leave a lasting impression and empower their career aspirations.
5. Through the guidance of CA Gagan Kinra, the workshop promised to be an intellectual feast, providing students with a unique platform to explore the potential of GST in the Indian business landscape.

6. The Department of Commerce and Finance's presentation of the workshop showcased its commitment to nurturing students' aspirations and preparing them for success in commerce and finance.
