Dear Students,

Join us for a unique laboratory session, "Laboratory Preparation of Elephant Toothpaste," organized by the Department of Science at Quantum University on November 11, 2019. Led by Faculty Coordinator Mrs. Sonam Sethi and Student Coordinator Ms. Diksha Kumari, this hands-on event offers science graduation students practical experience in toothpaste making. Explore the chemical reactions involved and gain valuable insights into scientific principles. Actively participate to deepen your understanding of chemistry and its real-world applications. Contact the Department of Science for registration and details. Let's make this academic fest a memorable and enlightening experience for all.

Dear Students,

We are thrilled to announce the upcoming Technical Symposium on Cyber Bullying, scheduled for October 14, 2019, at Quantum University. Led by Faculty Coordinator Mr. Chunnu Lal and Student Coordinator Ms. Sanjeeda, this symposium will provide a platform to address the pressing issue of cyberbullying. Through insightful discussions, presentations, and workshops, we aim to delve deep into understanding the complexities of cyberbullying and explore effective strategies to combat it.

In today's digital age, cyberbullying has become a prevalent concern, impacting individuals of all ages. Therefore, it is imperative that we come together to raise awareness and foster a supportive online community. Join us as we strive to create a safer and more inclusive digital space for everyone. Mark your calendars and be a part of this important conversation on October 14th.
