

## Campus Accommodation Facility

### Rules & Regulations for Faculty/staff staying on Campus

Quantum University has a comfortable, quite subsidised, but limited faculty accommodation on campus. It is preferably offered to those who enjoy living on campus and are willing to make it a positive experience for all by taking up roles and responsibilities during the hostel hours, i.e., beyond the academic hours. All Resident faculty shall automatically bear the common responsibilities as enumerated below. However the ones with better student interfacing skills (ACERS) may opt for additional responsibilities and be suitably recognised for their efforts. Enjoy your stay at Quantum!

#### COMMON RESPONSIBILITIES:

1. Safety of the students at all times and the discipline in the hostels and on campus during hostel hours is a common responsibility and no resident faculty / Directors/ Vice Chancellor is exempted from it.
2. Resident faculty shall be the first respondent, along with the security staff and estate officer, in case of any mishappening or incident on campus after university hours. Senior officials of the university administration shall follow.
3. A keen eye on the hygiene and maintenance of the hostels, fields, etc. should be everyone's concern, and any breach should be reported to the housekeeping in-charge or to the estate officer at the earliest.
4. To participate in organizing occasional hostel events such as hostel sports fest, bon-fire etc

#### RESPONSIBILITIES OF CAMPUS ACERS:

Campus Acers shall be assigned following responsibilities in rotation through a well-defined protocol, and in coordination with various bodies.

1. Surprise checks and inspection of the hostels in late evenings as a part of the inspecting team.
2. To be responsible for the outing and attendance protocol of the respective hostel and to be authorised to sign their out passes in the hostel hours, including those on Sundays and public holidays ( by turns)
3. To accompany students to mess as per the duty chart and have food with them to ensure proper food and mess services.
4. To innovatively engage students in evening sports and other activities to make it an enjoyable and wholesome living experience for all.
5. Any other responsibility from time to time to ensure smooth and healthy functioning of the campus during the hostel hours.

The rent of the Faculty Accommodation shall depend on the Service to which a faculty subscribes.
