## DAY CARE CENTRE

Quantum University in Roorkee provides a secure and hygienic childcare facility situated on the campus, catering to the needs of children with working parents during daytime hours. Operating on all working days from 8:00 a.m. to 5:00 p.m., this daycare was established in 2018 and is located in the Girls Hostel Room.

The daycare is staffed by two well-trained female caretakers, ensuring abundant supervision and personalized attention for each child. Emphasizing health and safety as top priorities, the facility offers attached washrooms, designated rest areas equipped with beds and pillows for each child, a cradle for the younger ones, and a well-stocked play area with toys and other engaging materials. Additionally, amenities include purified water, an oven, and a designated breastfeeding area.

Older children have the opportunity to engage in outdoor activities such as ball games and various other games for one hour each day. Parents are not only welcome but encouraged to make unscheduled visits, providing an open line of communication for any concerns or suggestions they may have.

The secure and clean facility, conveniently located within the campus, offers a significant sense of relief to working parents. Testimonials from parents further underscore the confidence and peace of mind they experience, knowing their children are in a safe and nurturing environment.
