

NOTICE

71
Ref No.: /Reg./18

Dated: July 31, 2018

Quantum University in Roorkee has consistently embraced a green culture and actively promotes a greener ecosystem, fostering a pollution-free atmosphere. As part of its commitment to sustainability, the university encourages students and faculty members to utilize the convenient bus facility available from nearby major cities such as Roorkee, Haridwar, and Saharanpur.

To ensure a more sustainable campus, access to private automobiles within the premises will be restricted. However, authorized entry will be granted to vehicles belonging to VIPs, physically challenged individuals, and guests, allowing them to proceed from the main gate up to the directorate block. By providing alternative transportation options, such as the bus facility, Quantum University aims to reduce traffic congestion and environmental impact while promoting a more eco-friendly campus environment.

Ambulances will be granted permission for unrestricted movement within the campus.

NOTICE

Ref No.: 101 /Reg./18

Dated: Aug 06, 2018

Quantum University, Roorkee has always been dedicated to nurturing a green culture and actively fostering a greener ecosystem to create a pollution-free atmosphere. As a testament to its commitment to sustainability, the university strongly encourages faculty members to make use of the complimentary bus facility provided, which conveniently operates from major cities nearby, including Roorkee, Haridwar, and Saharanpur.

By offering this alternative transportation option free of cost, Quantum University aims to address traffic congestion concerns and minimize its environmental footprint. The provision of the bus facility aligns with the university's vision of cultivating an eco-friendly campus environment, emphasizing sustainable practices, and ensuring a greener future for all.
